Subject: COVID-19 impact on contract performance Force Majeure Notification

Dear Valued Customer,

Safran Electrical & Power is strongly dedicated to do everything possible to minimize the spread of COVID-19.

This crisis has disruptive effects outside of our control at the various stages of our production activities (from supply chain to transportation).

Accordingly, we hereby notify BJB Electronics Inc that as a consequence of this force majeure situation, Safran Electrical & Power will be prevented from normal performance of its contractual obligations towards BJB Electronics Inc.

Our sales and programs teams will remain in close contact with you to provide all details as the situation evolves (delivery capability...) and work together on solutions to overcome the situation.

Please be assured that we do our utmost to mitigate the consequences of this exceptional situation.

Please do not hesitate to contact us should you have any question.

Yours sincerely,

Philippe Leveque
